*General program guidelines for use by
promotoras and other community-
based health advocates.*

Prepared by the HHSC Office of Border Affairs

2010

Technical Note:

The HHSC Quick Resource Guide is intended to help promotoras (community-based health workers) make appropriate referrals to health and human service agencies and partners of the Texas Health and Human Services Commission's Office of Border Affairs.

The Quick Resource Guide is not, however, designed for use in determining program eligibility. Categories listed in this book do not constitute all criteria used in the certification process, and eligibility is determined by each individual agency or organization.
